The Dauntless Motorcycle Assoc.  
extends its invitation to **ALL**  
Motorcycle Riders for this momentous  
event.

Trash The Vape! Day is the inaugural  
public event to bring the community  
together and properly dispose of  
Vapes and E-Cig products.

Vape waste has been affecting our  
communities and making its way to  
our youth. This event will allow  
community members to learn more  
about the misconceptions  
surrounding vape products and help  
get them out of our communities  
schools!

**Music will be provided!**
